Indre has worked at the Leddex marketing-design department for three years. We appreciate her creativity and hard work.

As a designer, she created our brandbook and ad design guidelines. Indre designed our entire website and integrated content management and search systems.

As a marketing specialist, Indre communicated the company's values through various channels, like social media, newsletters, and international exhibitions.

We are grateful to Indre for the projects she was on. She is a responsible and reliable person.

We completed a few great international branding projects with Indre. Indre managed marketing campaigns enthusiastically and was always on time and within budget. I have no doubt that Indre will be an asset to any marketing team.

Šarūnas Viselga

Indre is creative, reliable, and honest. I have been working with her for the last 6 years, and I am happy with how she conveys various online solutions through visuals. Her work is modern, minimalist, and, most importantly, in line with the design trends.
